SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the rules is NOT included with this schedule all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the rules. Copies of the Rules may be obtained from the GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset, TA6 4AG. Price £2.

Any exhibitor interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

The committee reserves the right to:-

- a. Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further judges if deemed necessary.
- b. Fix and limit the number of exhibits at the Show and refuse any entry without giving reason.
- c. Cancel, amalgamate or divide classes.
- d. Publish a Catalogue of the Show containing information as to the exhibits and the names and addresses of exhibitors.
- e. Disqualify cats entered in the wrong classes by the exhibitor.
- f. Retain a percentage of the Entry Fees to cover essential expenses in the event of the Show being cancelled for any reason.
- g. The Show Manager, on behalf of the Committee, reserves the right to pass on any charges incurred to Exhibitors whose cheques are returned unpaid or 'Referred to Drawer'. A fee of £20.00 will be charged and entry withdrawn from the show until full payment is made.

NEW RULES COMMENCING 1ST JANUARY 2017

Any cat which cannot be handled safely for examination will be rejected.

NB. Exhibitors must trim their cat's claws, if necessary, prior to the show.

Section 5: rule 4e

- e. Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws, or in the opinion of the veterinary surgeons are in an unfit condition for show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting-in. (Amended 15.06.2016)

REGISTRATION

No cat or kitten, entire or neutered, born after 19.10.71. with one or both parents unregistered, shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owners at least 10 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 10 days before the Show.

If the registration number has not been received when completing the entry form, write NAF (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The exhibitor must complete the entry form as stated on the registration/transfer certificate. **Exhibitors are responsible for the right description of the exhibit and for entering them in the correct classes.** Please do not omit to READ and SIGN the declaration - if joint owners, one or both MUST sign the form.

VETTING-IN

Exhibits will be received at the entrance of the Show Hall from 8.00 am until 9.45 am on Show Day where they will be examined by the Club's Hon. Veterinary Surgeons and no exhibit may be penned before being examined.

Vetting-in slips will be given out on the day of the show. **All exhibits must have current vaccination certificate against FIE, FVR & FCV (cat flu). The full course, in accordance with the manufacturers' recommendations, must have been completed more than seven days before the show.** Please note that

HOMEOPATHIC VACCINATION cannot be accepted. **Exhibitors will be asked to produce a current vaccination certificate for each exhibit.** Please ensure that the description of cat, owner and address on the vaccination certificate are completed in full and accurately before attending the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owners, and Entry Fees are forfeited. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same cattery and the owner, shall be debarred from attending the Show.

THE VETERINARY SURGEON'S DECISION IS FINAL.

VETERINARY LETTERS

In the past cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. THIS IS NO LONGER APPLICABLE: such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesion indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesion indicative of ringworm, however small.

PENNING

The pen may be wiped down with cotton wool dampened with any non-toxic disinfectant before putting the exhibit into it. Every exhibit must be provided with a white sanitary tray and a clean, plain white blanket, which must have no distinctive marking or edging, and which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material with white or green backing may be used if preferred. A hot water bottle or HEAT-REFLECTING MATERIAL or a COOL PACK may be used but must be concealed by the blanket in accordance with GCCF Rules. ANY other form of heating will lead to disqualification. **All exhibits must have water**, but food containers MUST be removed before judging starts at 10.00 am and may not be returned until 12.30 pm. Judges are instructed to pass any pen that is distinguished in any way. Sprays of any kind are not allowed in the Show Hall. No stud advertisement, written or printed matter of any kind other than the official award cards may be put on pens. No exhibitor may remove an official notice from a cat's pen. Exhibits are received only on condition that the Club will not be responsible for any loss or damage to cats, boxes, baskets or any other property in any way. The Committee, on behalf of the Club, retain the exclusive right to publish catalogues for their Show containing such information as required by GCCF Rules.

EXHIBITS FOR ASSESSMENT

Cats, kittens and neuters of those breeds with Preliminary recognition must enter the appropriate Assessment Class, plus a minimum of two applicable Miscellaneous classes. **Assessment classes are now competitive. Exhibits will be individually assessed and awarded a 'Merit' Certificate if considered by the judge to meet the approved standard of points. They will also be placed against each other. The first prize winner will be eligible for consideration for Best in Show.** Exhibitors must provide a copy of the GCCF approved standard of points when making their entry.

COUNTERSIGNING OF CERTIFICATES

Section 2, Rule 6 Note 2

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager **prior to judging** that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Championship status.

Section 2, Rule 6 Note 3 (added 1.6.98)

If the replacement judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purposes of requesting a countersignature.

NEW RULE ON BITING AT SHOWS (Effective 1.6.88.)

Any cat biting or inflicting injury by deliberately scratching a judge, veterinary surgeon, steward or other Show official must be reported to the Show Manager. The Show Manager must withdraw the cat from the Show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the GCCF Board. If the cat is reported at any subsequent show it shall be disqualified from all future shows unless the Executive Committee rules otherwise.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:-

1. When sending your Clearance Certificate to the Veterinary Officer please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please

enclose a stamped self addressed post-card for acknowledgement of receipt and this will be signed and returned to you.

3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter can be taken to Shows within a month of issue of the clearance letter.

WITHDRAWAL FROM CAT SHOWS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show; after this date the cats concerned may not be withdrawn from the catalogue of the Show and the 13 day Rule about entering two shows within 13 days will apply. Show Managers may be prepared to return part entry fees if the cat is not present at the Show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the Show if they are unable to accept them into the Show because the Show is full.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS - These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification may result in further action being taken. Examples of minor errors include:-

- a. Spelling errors
- b. Separation of cat's names that should be one word, and vice versa.
- c. Administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit. (revised 12.1.95.)
- d. Overseas title preceding the name of an exhibit, sire or dam, etc.
- e. Full breed number known but not given.
- f. Sire and Dam reversed (revised 5.1.94.) or named incorrectly (revised 12.1.95.)
- g. Breeder joint when single, and vice versa (revised 5.1.94).

INCORRECT DATE OF BIRTH - This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS:

Kittens - **not less than 14 weeks** and under 9 calendar months on date of Show.

Adults - not less than 9 calendar months on date of Show.

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER - If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise.

EXHIBIT	Totally incorrect name.
REGISTERED OWNER (EXHIBITOR)	Joint when they should be single and vice versa Declaration not signed by registered owner(s) or at least one of the registered owners. N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the Show.
BREEDER	Totally incorrect name or names. N.B. The breeder of a cat is ALWAYS the registered owner of the Dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF SHOW. These entries will be disqualified. Remember the effective date of all registrations and transfers is the FIRST DATE OF VALID RECEIPT BY THE GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW. These entries will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned so always check with the Show Manager if in doubt which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

CAT REGISTERED ON THE REFERENCE REGISTER. Most cats registered on this Register (CSREF) are not eligible to be shown and therefore these entries could be disqualified. The only exception to this is when a new breed becomes recognised and then, cats of the breed may be shown, even if they are registered on the Reference Register, as long as this was the only reason for the Reference Registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the GCCF Board if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention Show checking.

GENERAL GUIDELINES FOR ENTERING SHOW

Where possible always complete your entry form from the GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited. Please PRINT the details carefully to avoid any misinterpretation of your handwriting. If the Registration Certificate you have does not show your name and address this means that the cat is not registered in your name and you must transfer the cat into your name no later than **10 days** before the show. Transfer can be done instantly using GCCF '**Online Services**' at www.gccfcats.org. If you have not received your registration document at the time of entry, complete the Show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF, (Registration Applied For) or TAF (Transfer Applied For) or both in the Registered No. box. It is wise to enclose a stamped, self addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for Show, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form, then, when you receive registration details and number, check these against the entry form and NOTIFY THE SHOW MANAGER IN WRITING of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that Show is checked. All catalogue errors are checked against the original entry form and any exhibitor's letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of Show (on Show Day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated, or a change of exhibitor / owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that family/household, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and at least one of the owners must sign the declaration.

A GCCF Challenge/Premier Certificate will be offered for each cat/neuter Breed Class of the recognised breeds with Championship status.

Since 1st June 1999, cats who are registered with both the GCCF and the GCCF of Ireland that gain the same Champion, Premier, Grand Champion or Grand Premier titles at shows licensed by both organisations are allowed to use 'International' titles when verified by each organisation.

JUDGES

Judges are empowered to withhold any Prize or Championship in any Class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judges' award slips, not from the catalogue or awards cards. **A Judge's decision is final.** Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed, may render the offender liable to disciplinary action (see Section 4, Rule 26).
